Hey, hey, is anybody horny? As horny as I am, I mean. I am sooo excited to be on the cover of FOX that I can't stop cumming! Honestly, my pussy has been in orgasm overdrive ever since my FOX shoot. Not that I'm bitching about it :) I had so much fun fucking myself for you guys, I must have gotten off like half a dozen times. I hope you dig stroking it to my layout as much as I dug posing. There are a whole lot of other hot mamas in here with me, like the ever sexy Lexi Belle, that luscious little lezzie Karlie Montana, pork-obsessed Katie St. Ives, ebony goddess Misty Stone plus even more babes that I'm not going to tell you about. Why not? Because I want you to put your dick in your hand and discover them for yourselves, that's why! When you need a breather between loads, read up on what it's like to bang for a living as Jeff Hubris goes BTS on several porno productions including Shel Black's MY SISTER'S HOT FRIEND featuring the unstoppable hot Brooklyn Lee, Jim Powers' MALIBU MASSAGE PARLOR 2 with talented tarts Evelyn Fierce and Tessa Lane, plus Porno Dan's IMMORAL ORGY 1 celebrating wanton whores Aiden Ashley, Elizabeth Bentley and Kaylee Hilton. There's also a XXXclusive Twitter interview with Alaskan sexkimo Chanel Preston and the debut of a XXXciting new feature called DIRTY MINDS in which FOX delves deep inside the psyches of your favorite porn ho's! Join me inside and let the jizzfest begin!

JESSIE
ANDREWS

ASA
AKIRA

ALL KINDS OF HOT

Dear FOX: That Jessie Andrews from your March issue is all kinds of hot. Starlet of the Year, huh? I'm gonna have to get my hands on some of them videos of hers. She looks like she could fuck like a bunny. Something about her looks real energetic or something. I hate it when a girl is all lazy in the sack. I had one especially that just lay back with "do me" eyes and it really burned me up at the time. Still does. I wanted to say, "Why don't you get on top for a while, bitch?" but I needed to get laid real bad and I was afraid of spoiling it. So I hammered away while she just lay there like

some sort of fat-assed queen. I can tell Jessie would be different though. Now there's a gal that really knows exactly how to please her man.—R. in Wheeling, WV via email

BIG MUSS, NO FUSS

Dear FOX: I am a simple man, I enjoy simple pleasures and don't get off on anything all that elaborate. Which is why I like FOX Magazine so damn much. It's dirty, in-your-face style presents fucking plain and simple, without all the pretensions of "art" and men's interest and crackpot politics nonsense that some adult magazines try to foist off on

us readers. I can't tell you how much I appreciate that. I can have a goddamn good jerkoff without all the fuss.—Vic in FL via email

SILENT TYPE

Dear FOX: How are you? I do not have a lot to say except thank you. I am not very successful with women and if it weren't for FOX I would lead a much lonelier life.—Drew in UT

SQUEAL LIKE A PORN PIG

Dear FOX: Normally I am not big on Asian chicks because they seem too fragile or something. Like I'd stick my hard-on inside and

30397

30263

they'd break apart or something. But I gotta say that Asa Akira really does it for me. No wonder she was declared Porn Pig of the Year, she deserves that title and then some. She is so badass she could take everything I have to give her. I could fuck her all night long and she'd keep begging for more and I would have to worry about cracking her like a porcelain doll. She looks like she works out, too. Which is way sexy in my book. I love a broad that takes good care of herself. It makes me hard imagining Asa at the gym, pumping iron to keep herself in fucking shape. What I wouldn't do to have her naked beneath me, all sweaty, writhing muscle asking me to fuck her harder. Oh, Asa! I know I sure could make that porn piggie squeal.—*L.T. in MO via email*

ANOTHER IDEA MAN

Dear *FOX*: Why don't you do theme issues? You could gather all your photographers together and give them a specific theme, and then let each of them shoot a set of a different model in some sort of variation of the overall theme. Like space, for instance. I'd love to see

some of these sluts getting nasty on the moon, or putting a raygun inside their twats. A hot martian threeway? I know I can't be the only man on earth that wants to see that. I want to spank it to an intergalactic orgy. If you want, I could even help you come up with the different themes each month. Another one could be robots. Sometimes the girl could be the robot, or she could be fucking a robot or her sex toy could be robotic. There are endless possibilities! What about an underwater theme and there could be a bunch of lesbian mermaids? I've got a million ideas.—*Patrick in WA*

DIM THE LIGHTS...

Dear *FOX*: Dirty whores are some of the best things in the world. I have had the good fortune to encounter my fair share of them in my private life, but I have to admit that not a single one of them was as smokin' hot as the ones you present in your mag. I guess that is one of the biggest differences between professional whores and amateur whores. Their looks. I suppose that if one or two of the dirty bitches I've been with had some assistance from a makeup professional or had their hair styled

they wouldn't have looked half bad. But I just kept the lights low and did my thing. Even an ugly chick can have a fucking gorgeous vagina. My pecker can't see anything anyhow.—*Davey in VT via email*

PROUD CUM DUMPSTERS

Dear *FOX* Mag: I started flipping through skin rags at a very early age. I found my older brother's stash when I was in grade school, and I have been a huge porno fan ever since. My tastes are definitely a little bit different (better) than my bro's though, I gotta say. I like looking at girls that are proud cum dumpsters, rather than ones that look like they'd be stuck-up if you ever encountered them in real life. *FOX*, you are always on point when you select which ho's to feature. I have never, ever been disappointed, and I've even been inspired to do some more research on certain girls which led to me purchasing DVDs I might never otherwise have noticed. Your awards issue slays me, every single year. It's nice to find a magazine that makes me want to laugh and jack off at the same time.—*Justin in CA*

piXXX by Stubborn Stain

Sun-kissed Lexi Belle has managed to maintain her fresh, youthful appeal despite having logged in more than five years making movies for grown-ups. That she's exactly as delectable as the day she first started is really refreshing, and hopefully foreshadows that she will continue to give it up on film for many years to cum. She's got the face of a cutie pie, the body of a tart, and the sexual appetite of a filthy whore. She bangs both men and woman with an equal amount of joyous abandon and is just as happy to go ahead and fuck herself if no one else is around to do the deed. She has had far more than her fair share of orgasms and therein, perhaps, lies her secret. Maybe what Lexi has discovered during the course of her carnal adventures is that gash gushing climaxes are the fountain of youth.

DIRECTOR
SHEL BLACK

SLUT 'N' PUPPET
BROOKLYN LEE, JOHNNY CASTLE

PIXXX & ARTICLE BY JEFF HUBRIS

If I had \$1,000 for every time I've heard a porn girl issue the phrase "I've always been a very sexual person" during an interview, I could probably come close to buying Michael Jackson's Neverland Ranch from whoever owns it now and achieve my dream of turning it into a larger scale Charlie Sheen-style whore compound centered around me in the big house with the surrounding dwellings serving as heavily supervised holding lodges for highly paid (and therefore willing) vagina support systems (AKA females) of my choice to serve as party pals whenever needed. There would of course, be enough drugs and alcohol around to keep everybody happy and lazy. Extremely hot porn gals from all over the world would compete fiercely for this very easy and highly lucrative gig.

For the huge group of porn girls who declare themselves to have always been "very sexual people" to which Brooklyn Lee belongs, there is of course a bell curve that illustrates the true distribution of sexually radical behavior and native talent amongst a population that benefits directly from touting their erotic abilities to anyone who will listen. Being the sexual psychic that I am, and have always been, I will tell you that Brooklyn Lee lands at the very top of this bell curve along with the few and the proud, who really, really know their way around a ball sack, among other things.

She's done with makeup and stands at a bathroom sink combing her hair and applying lotions to her nakedness in preparation for a bang out with Johnny Castle. Naughty America director Shel Black has instructed her to don a pink bra and panties for the pretty girl shots. Mr. Black is a very accomplished photographer as well as a director and has successfully mastered the "go with the flow," stress-free style of porn plot formation. This much is known: the scene will appear on a Naughty America website called "My Sister's Hot Friend." Brooklyn is cast as a stripper from New York City who is in town visiting Johnny's sister Samantha.

"I don't usually write shit down and have a script," Shel Black says. "I drive over and get an idea and think to myself, THAT'LL BE FUNNY. The dudes I use are really good and know how I work and are good at ad-libbing so it always turns out really cool."

"I've always been a very sexual person and now I've evolved into a sexual creature," Brooklyn Lee explains in a booming voice. "When I moved to Boston I tried to be a straightlaced normal person for about five minutes and I was enrolled in my little classes and I took a job at a clinic and was doing their administrative work and it was just too much too soon. I just wasn't prepared to be a normal nine-to-fiver and then do the night school situation. It just wasn't working out so I ended up failing my way out of that job."

I believe this story. Next stop? Porn Valley.

Brooklyn Lee gets hired a lot because word has spread that she can really fuck. Her agent Mark Spiegler has the smallest and hardest working roster in Pornowood and maintains a decent record at detecting the true ringers, something that she has turned out to be. She swears that she's never done a DP and I feel that she is skirting the issue. I'm so sure. Here's how the conversation went: Me: 'Have you ever done a DP?' Brooklyn Lee: "In my dreams." Me: "You are so full of it." Brooklyn Lee: "Ha Ha Ha!"

Yeah right. I ask if there have been any non-DP moments of sexual profundity in the near past. Just having returned from Europe, she speaks of blowing away John Stagliano with a striking oral performance upon Rocco Siffredi's Italian sausage.

"It was actually only a BJ but we were both so into the moment and so strong into that scene that John was speechless and I get a sense of satisfaction from making a legend like that lose his words," she says proudly. "It kind of made me feel half validated that, yeah, you're not doing that bad, kid! Siffredi was looking at me like WHAT THE FUCK?"

Mr. Black shoots the posed stills of Brooklyn solo then calls Johnny in for some together shots. The magic genesis of porn plot immaculate conception takes place. He feeds them lines to try out on each other and the improvisational niceties of the set-up take form.

"He's going to be trippin' out," Black riffs to Johnny. "*Oh my god, Brooklyn you look amazing! Wow, it's been years. You're the same girl that used to wear the glasses with the nerdy smile? So what are you doing out in New York?*" He already knows that you've danced out there so he's going to kind of play along with it. *Really, modeling? Where at?* But you know from your friend Richie that she's a stripper. That's where I'm at so far."

Black shoots Brooklyn arriving at the front door with her personal porn-girl suitcase as a prop. The dialogue goes quickly, taking only a few minutes, then it's over to the staging area where bazillions of adult industry bang outs begin and end, the lovely porn couch.

"Give him a super hot, slow striptease," Mr. Black instructs. "Really slow. Johnny, you know what to do."

Brooklyn Lee delivers an award-winning striptease and BJ, then it's off to the races. Watching a porn set fuck in real-time is very much like a sailboat ride on one of the Great Lakes, known for short chops rather than the longer swells of the open sea. Sexual show business requires a more slam-bam approach most of the time because porn fucking is visual currency. A condensed, high velocity statement.

BROOKLYN LEE: I'm a mutt. People ask me all the time and I kind of think it's funny to make them guess. Since I dyed my hair black and cut my bangs everybody thinks I'm Asian. I'm a natural redhead. I'm Puerto Rican, Swedish and Native American, my dad being the Puerto Rican and my mom being the mixed one. I grew up in Ohio. I was homeschooled and I was seventeen when I graduated. I went to two legitimate high schools before I was homeschooled. My family is crazy, we moved around like 55 times. My parents are like kind of quasi-hippies. I guess my mom would like to think that she's a free thinker but she's also like very Christian. They're cuckoo birds, they're crazy. I actually don't really have a great relationship with them and at this point it's not really like a pain thing, I just accept that I don't. My education was based on experiences and sort of absorbing things like a sponge as opposed to a lot of regimented in-class time, I just kind of suck in everything around me, no pun intended.

I have sort of like an odd face and people really don't know where to put me and they don't know how old I am. Sometimes I can look really young and sometimes I can look like 28. I'm just kind of like a wild card so there've been times when people have tried put me in MILF things and I'm like, *I'm 22, go fuck yourself! Fuck you! Gimme a couple years, man!* I used to get really pissed off about it. It's happened about three times and recently I started to see girls who are like 19 put in MILF selections. The teen stuff I'm really not that great at because it's really not my personality to be cute and fluffy and I look really fucking stupid dressed up as a schoolgirl, so I honestly appreciate that I don't have to be subjected to the teen stuff very often. What's really funny to me is when they put me in big tit stuff where the guys are really grasping. I've actually considered getting fake ones but with everyone it has been a resounding no except for the people at Brazzers. When I'm fatter my boobs are awesome but you can't have your cake and eat it too. I love big tits but I definitely prefer the natural ones. I think Gianna Michaels is one of the sexiest bitches alive. I love her body and I love her boobs. I met her once when she was in street clothes and I was, like, *If you only knew what I would do to you.*

Girls are funny because I love girls when they're into me but I'm also really in tune with people's emotions and if somebody is not into something I'm hesitant to go nuts on them because I really don't want to be that girl where people go, *Wow, she's creepy.* I'll go full creep if I can tell you want me to. Some girls are really into that, like I just did a kissing video with Bobbi Starr and there wasn't even any sex in it and I wish, because it would've been a great scene. When the girls are into it it's a great day but if the girls are just all, *Yeah, lick my clit I'm gonna cum!!!* I'm like, fuck, I hate my life. I'm like, kill me please! Now I'm at a point where if it's not going to be a great scene and I'm in a situation like that I'll just sort of dom the girl and if she doesn't like it, fuck her. I'll do a little bit of slapping and shit. I would love a girlfriend, I just don't know how to meet them.

BROOKLYN: I'm like a serial monogamist, be it a girl or guy. I don't know if I'm lazy or too lazy to date but at home I just tend to be with one person and the kind of sex I'm having really depends on the other person. Right now I'm kind of looking for a girlfriend, so if anyone wants to apply... I might not want to be fucked really hard every single day but I need to know that it's an option. DP's are something that have been a long-time fantasy of mine. When I watch porn myself, and I still do, I try to avoid porn with people who are my friends because I think it's weird, that's what I will look up. I don't know what it is about it, I guess maybe just I crave like the feeling of just being taken over, I don't know. Also I know from just using toys that it's a completely awesome sensation to be filled up. One of my biggest fantasies is to do a scene with Nacho, Manuel and Rocco. I was talking to John Stagliano about making that a reality and he was like, *Um, that's a good idea but I think it's going to be way too hard to wrangle and extremely expensive but I'll think about it.* To get myself off at home I'd probably put on some DP porn and shove something in my ass and either masturbate with just my little finger or use the Hitachi or something, that's pretty much what I do. I've been watching DP porn for years and I thought I was weird until I just realized that it was just part of daily life.

BROOKLYN: As of late, I think I'm becoming a stronger performer and I'm getting to experience things that I didn't even know were possible. Now I'm really into just being teamed up with someone who's just as strong if not stronger than me. I like domination and I like to dominate, I like to be choked, I like to choke people, I like to be slapped and I like to slap people. I just like something that's really carnal and no holds barred. I like it all. I like to be fucked hard and I like to be made love to. For me it's kind of like no holds barred with the one requirement that the person has to actually connect with me. I just don't like to be an object that's being used, I don't like that. I've worked with some performers who don't connect with me emotionally and it doesn't feel right when they try to be aggressive and rough. But then with people like Manuel, Nacho and James and some others that I haven't mentioned, above everything else it's about connecting with you emotionally so they can do anything they want to you. I guess right now I'm into the rougher stuff. I definitely want to go back to school and just have a degree for the sake of having one. This industry I really don't think is going to be around forever. It's running on empty and I've been fortunate. I do pretty well and I do work consistently but I can't be foolish enough to assume that it's going to last forever. I wish that it would. I would be content to do this until I'm not physically fit enough to do it anymore but hopefully I would stop before then. I would do it for years to come but the jury is so out as to whether it's going to be around in that kind of capacity to really be my career. I don't know.

This is a great gonzo sport fuck. Shel Black shoots it straight through with nary a break. When he has all the positions there's a pause and he asks Johnny how he wants to pop.

"It's better if I fuck to pop," he says. "She's there, I'm there."

Black starts rolling and asks for at least forty seconds of doggy before the jizz blast. Castle holds on for at least that long and drops a respectable load on Brooklyn Lee's face and chest. When it's over she wipes down and does the mandatory post cum receivership cellphone check.

"I'm impressed, especially with the dirty talk," says Black. "A lot of the girls don't know how to do the dirty talk for sure. They have to understand that fans are trying to fantasize about them and they have to say shit. The same repetitive OH MY GOD! one-thousand times really gets boring. I tell girls that if they're here to talk that there's a better chance that they'll get hired again by me."

"Thank you guys, that was fucking awesome," says Black to his fuckers. "Every line you guys said was fucking right on. It was great. I'm impressed. Brooklyn, I'm just like shocked right now. I'm gonna put you on the list and book you again."

Johnny Castle works here a lot. On his way out he stops and tells Shel, "Thanks for that one," as if Black is running some kind of dating service. So, as it turns out, Brooklyn Lee performed to the point that thanks were in due order. This is an auspicious moment, speaking well for her sexual abilities. A unanimous verdict is delivered to the bench: nothing but genuine adulation. I was right and so was Mark Spiegler. Brooklyn Lee is an animal. A very sexual person. 🐾

LIZZ TAYLER VS. GRACIE GLAM

There's no doubt about it, watching two girls enjoy a roll in the hay is way hot. However, when the hotties hooking up happen to be two of porn's most beautiful brunettes, it's a miracle the bales don't wind up ablaze. Lizz Taylor's and Gracie Glam's slots are not strangers. Gracie can navigate the velvety warmth of Lizz's love tunnel with her eyes shut no matter what she slips inside—fingers, tongue or toy. Likewise, Lizz knows all the soft, moist ins and outs of Gracie's glamour puss by heart and can coax her to a sloppy climax in no time flat. But instead of growing bored with each other's company, these ho's continue to grow more attached at the snatch. Gracie can't fathom facing a day without an encouraging lick from Lizz; and Lizz can't imagine going a whole 24 hours without getting groped by Gracie. They're obviously becoming co-O-dependant 🐱

PIXXX & ARTICLE BY JEFF HUBRIS

Yes it's true, no matter how you feel about Porno Dan, he certainly does crank out the pornography. The key to having achieved notoriety within any field is making sure that everyone has an opinion one way or another. This is true of Porno Dan. Celebrated porn theorist Tim Von Swine, in his famous pamphlet "How to Succeed in Porno," laid out two important ground rules. Rule #1: Never use the word "porno" as a part of your adult industry name. Rule #2: See Rule #1.

All I'm saying is that Porno Dan continues to defy reality by never giving into conventional wisdom. Like all true snake oil salesmen he continues to somehow create his own sick magic, one fucked up internet show at a time. Today is special. This is the maiden voyage of the "Immoral Orgy" for which he has procured some interesting girls in the form of Aiden Ashley, Kaylee Hilton and Elizabeth Bentley. Wow. Let's ask Dan to explain.

"It's exactly what it sounds like," he says with a grandiose tone. "Only a man like Caligula myself can truly understand and appreciate the vision of Nero. In the eyes of Jupiter we are one with hedonism. That is an Immoral orgy, where we pay homage to the great gods of Rome."

See what I'm talking about? If you take this bullshit seriously you're a fucking asshole. I talk to each girl separately about their lives in porn and shoot some pictures. Then we are informed by Porno Dan that today marks another great milestone.

"And today is the twelfth year of me getting tested and not having a bad test!" he shouts. "For twelve years straight! The little penis that could! It keeps on poppin'! It keeps on goin'!"

Now THIS is legend. Not once? Not even the clap? Give me a fucking break. As happens more frequently than you might imagine, you make the decision to believe what Porno Dan says. You feel tainted. Again.

Striking a more serious tone, Porno Dan whispers to me, "Basically this is just an excuse for me to fuck three hot chicks at once." Now THAT I believe.

"All right!" Porno Dan yells. "We're going to start naked!"

This is a good call that alleviates the tedious porn girl attire-shedding charade. Let's cut to the chase. The girls have picked out a bunch of toys that they will be penetrating each other with in the initial orgy phase, after which Dan and Ralph Long are scheduled to launch their tubular meat rockets into deep vaginal and/or anal space.

Let's roll. Aiden Ashley will not be getting poked because she's under contract to do boy/girl for another company. As a result she will be manning a strap-on for the balance of this outing. Vibrators and dildos are whipped out and the girls start getting it on. Then the strap-on phase begins.

"I feel powerful with a strap-on," Kaylee says. "I'm going to start wearing one to the store."

E

ELIZABETH BENTLEY: I'm twenty and I'm from Miami. I like girls a lot. It's about 80/20. I like to fuck a dick but I don't like the balls and the immaturity attached to the dick. Like, if a cock didn't have balls and was attached to a girl and she still had a pussy I would like totally be in love. Then that would be me saying that I like hermaphrodites, which is not what I'm saying. You have no idea what I'm talking about. Sometimes I just wish men would not be born with balls cause I don't like them. All hairy. The actual cock is okay. Balls aren't going in my pussy. They don't serve any purpose. I love eating pussy. Girls eat pussy better. I just think what I would like if someone ate my pussy, then I just do it. That's why gay guys suck better dick than girls. What makes me cum is a vibrator on my clit and a really good hard ramming. Yeah. At the same time though, it can't be one or the other. Well, yeah, it could be the vibrator, but not with like straight penetration. When Aiden was fucking me and I had the vibrator on my clit and she was just dicking me down, dude, like I just squirted everywhere. For sure there is just like a tree-foot diameter puddle. It was huge. When Kaylee squirted on my face that was good too. I'm a club promoter and I promote nightlife and electronic music events in the Southeast Florida region. I do a lot of freelance networking for people who own clubs and music festivals and DJs and dancers. I make parties happen and it's awesome. I'm a graduate of college and I own my own company. I studied Business in college. I found out something very interesting. A woman's clit is actually shaped like wishbone. The button is like the head of the wishbone with the hood and all that shit and it wraps around the vagina. It's kind of like what was supposed to be the bottom of the penis when the embryo was trying to decide whether it was a girl or a boy. So, when the zygote chose to be a girl it made a clit and when the cock goes in the pussy it contracts and expands the inside part of the clit and that is what makes you cum really fucking hard. When you're working all that shit, the pussy, the G-spot, the inside of the clit and the outside of the clit, I've seen girls go into what looks like a seizure and that's fucking sexy, that's hot. You know, before I started porn I had never fucked an uncircumcised guy in my life. Preston Parker was the first uncircumcised cock that I ever saw in my life and I have to tell you, I would rather fuck guys who are uncircumcised. I don't know why, I think they fuck better, it feels different. The only part is I don't like to have to be careful when getting rough with the dick because the foreskin is kind of sensitive.

AIDEN ASHLEY: I'm pretty much from all over but my most recent move before Los Angeles was Phoenix. I'm an Arizona girl. I went to ASU and then I moved out to L.A. I've been here for about four years now. I've been in the industry for two years. Actually today is my two-year anniversary. I've always been interested in sexuality. I basically moved out to California and just decided I wanted to get into the industry. I was in the music industry, and I still am. I produce music. I went to ASU for Music Business and I do a lot of touring stuff. Actually I just got off tour four days ago with Static X. No, I don't bang any of the guys in the bands. Actually I like girls way more than guys. I'm more the tomboy that goes out and finds the groupie girls and brings them to the guys. That's why they have me around. I like to get rammed from behind, I like boobs, I like butts. I've always been like very, very sexual. More mysterious and devious, I like the power play and I like eyes. I like playing with people's emotions and mental fucking them. Fucking is just sexual after a while and if you find a way to play onto their fears, emotions and passions it's just always better. What gets me off is, like, girls who can control me. I'm very uncontrollable so anyone who can kind of give me a run for my money is good, which most people usually can't. I've had boyfriends break up with me quite often because I'm too sexual for them. I want to have sex in public too much, it's too crazy, it's too dangerous blah blah blah. I've actually had a few people dump me because of it. I've had quite a few boyfriends dump me because I'm more sexual than they are. Chemistry, passion, power. A good orgasm, knowing what I like. If you don't have passion you don't have anything. If you're just going and fucking and you're painting by numbers it means nothing. If you're just like rub the clit and push on the G spot like you've read in *Cosmo* 100 times you're a fucking idiot. Sex is not paint by numbers, sex is passion, so if you're able to feel the chemistry and feel what you're supposed to do next, that's what gets me off, is someone that knows what to do.

KAYLEE HILTON: I'm from Kansas. Wichita, kind of like nowhere. I'm twenty-two. I love porn. My sex life was kind of crazy. Basically my girlfriend and I just kind of like had a notebook full of all the guys that we fucked, kind of like how many people you can fuck and do crazy stuff. I've done a little bit of everything as far as work goes but I started stripping at eighteen and I think it kind of helped me. Before that I was so sexual that I could never be fulfilled and once I got to the strip club I got to be sexual all the time like with the other girls and stuff and it was fun. I get off on everything. Freaky stuff. I like multiple partners, I like new people and that's what's cool about porn. It's like, hi, how are you doing and then you fuck them. I like vibrators, they're really fun. I used to not like oral but lately I have. I used to have a piercing down here and I took it out and now I like oral, and then a mixture of anal and a lot of vaginal of course. I'm just into everything. I like DP's, the stimulation on both sides, yeah I like it. The DP is like the best because I can cum from anal anyway and you add a little bit of stimulation in the front and I'm going crazy. It's like a double cum. It's hardcore. I find when I'm doing a DP that I can just let go because they're just throwing you around doing whatever and I can enjoy my orgasm a lot better because I have no choice. My only regret is not having done porn sooner. I wish I would have known when I was younger. I like girls a lot more than I used to. I used to not like girls that much unless it was like my close girlfriend. But now I just figured out that there is more to do with girls and just sticking your fingers in them. I think it's opened me up a lot sexually. I get to experience things that I would have never gotten to experience otherwise. I really like it a lot. I'm going to hopefully ride the wave of porn for a little while and hopefully get myself into some school and hopefully get a regular job eventually. I'm just enjoying porn while I have it. I do have plans of course. My mom's like totally jealous. She wishes she was younger so she could do it too. My dad doesn't really like it but he doesn't really say anything about it.

KAYLEE: That was a really fun time. That was the funnest time I've had in a while here. That was really hot.

AIDEN: I'm a little bit of an instigator.

PORNO DAN: You ARE the instigator. We got a nice girl/girl/girl and next thing you know we've got a DP and an anal cream pie—vaginal cream pies!

Well, these girls look like they wanted some dick, you know?

That's the first time you ever DP'd a girl?

Yeah, it was pretty awesome. High Five!

Kaylee, is that the first time you've ever been DP'd by a guy and a girl?

Yeah! That's a first! That's my first in a long time!

Elizabeth Bentley, what do you think of this insane asylum?

ELIZABETH: I'm at a loss for words, man. I love it here. I might just sleep on the bed and fuck somebody in the middle of the night.

Wow! See, there are two types of girls—ones that run away and never fuck me and then ones that like it here, huh Aiden?

Yes, there are. It takes a certain someone to stay at Immoral.

I fucked too much and it pulled my pussy out. Maybe mine started out regular then after I fucked a lot it just kind of pulled out. That's what I thought it was. I know that butts do that, so I was scared.

It's called **supervaginitilosis**. It happens a lot, especially in Liberia.

Do you think that's what happened my pussy?

Probably.

So whenever I look at porn, because I look at porn a lot, I look at their pussies really close to see what theirs look like to compare mine. I didn't really hardly ever see any that looked just like mine. My mom says hers is like that too. She said that back when the style used to be like wearing your pants super tight up there guys would come up and pinch her and say, *Wow, you have a fat pussy!* I don't like it though sometimes because somebody said I look like an Arby's sandwich, like roast beef. I don't like that when people say that, but I like it now for porn.

Describing an orgy situation is stupid. Like a military battle, you could write an entire book about it. Or just say fuck it and mention who won, which is basically what I'm going to do. Aiden banged the stuffing out of Kaylee and Elizabeth with a strap-on, wrote back to viewers on the computer and then had her pussy eaten. She won. Kaylee fucked the bejesus out of Ralph and Dan, taking two cream pies and getting DP'd by Aiden's strap-on and Dan in the process. She won. The strangely nubile looking Elizabeth got banged by Aiden's and Kaylee's strap-ons in addition to Ralph's and Dan's tube steaks. She won.

Of course it goes without saying the real winners of the day were two of our favorite load dropers, Ralph and Dan. That means we have WINNERS ALL AROUND! WINNING! The absolute best thing though, was an impromptu wrestling match between Aiden and Ralph that took place shortly after the cameras had been shut down. She kept trying to attack Ralph's ass with a pink dildo and he was having none of it! It went on for a while too. Now THAT'S entertainment! Who needs parodies when you can tune into this non-stop erotic train wreck of an Internet show where what you see, for better or worse, is what you get.

Some day (very) soon when porn transforms from what it has always been into a bland index of quality-managed genres, produced and controlled by sexless internet billionaires, the foolish, subversive buffoonery of Porno Dan will appear terminally quaint. A time when accidents still happened accidentally—when an entire porn lifestyle genre was an ongoing accident unto itself—will accidentally re-surface as an art statement in its own absence. Hilarious. Pathetic. The world can end now.

STREET
SHADE

Throughout the course of her daily doings, super slut Stevie Shae cums in contact with a whole lotta junk and it's caused her to become a bit of a whoreder. She happily socks away as many ski poles, night sticks, bat and balls, pudding cannons, flesh pistols, shift sticks and gop pipes as she can get her hands on. See, it seems that Stevie simply can't say no to adding a brand new knob or bone to her privates collection. In fact, she's running out of places to stash it all, srsly. After cramming her own box full of whatever she could make fit, she had no choice but to rent out a space to house the rest of the crap she's amassed. It just so happens that one of Stevie's very best qualities is that she doesn't know when to quit, which means as much stuff as she lays away she'll always crave more.

DIRECTOR
JIM POWERS

SLUTS 'N' PUPPETS
EVILYN FIERCE, TESSA LANE,
BILL BAILEY, RALPH LONG

PIXXX & ARTICLE BY JEFF HUBRIS

A popular porn-set house with a striking view of the San Fernando Valley is the set for two scenes in *Malibu Massage Parlor #2*. Another layabout shoot house “custodian” of mysterious origin is milling around, but all other residents and workers have left. Lights and camera equipment sit quietly in anticipation of another afternoon of sexual perversion. Soon, director Jim Powers pulls up in an SUV. Evilyn Fierce, Tessa Lane, male talent Bill Bailey and photographer F-stop pile out of the vehicle. Last comes Powers himself, complaining that half of the shooting day is already gone.

“What we’ve managed to do all day is drive down to the beach, have the girls lay on the beach and have a man walk up and say, *Hey, let’s get a massage*,” he says scathingly. “Here we are. That’s what we’ve accomplished. Although I would have to say that already the plot line is much more intense than 95% of the movies out there.”

So are the trials of the porn director, continually at war with fading sunlight and the tyranny of the clock, improving the world, one righteous porno moment at a time. “This movie has everything but hermaphrodites and dogs but that may change if we get drunk,” Powers says. “This is a sequel to *Malibu Massage Parlor*, the biggest movie on AEBN last year. It was the *Star Wars* of the porn industry and were not talking parodies.” Yes, the competition is brutal. Powerful creativity must be employed to make today’s bang outs differ from each other in interesting ways. For starters, Evilyn Fierce will go first, getting plowed by Bill Bailey outside on the back terrace. Then Tessa Lane will drain Ralph Long’s lizard in the dining room that has been converted into a massage space.

Powers has set up a massage table on the edge of the pool deck overlooking the vast Valley. Evilyn has just completed posing for stills and stands naked next to the pool, drinking from a water bottle. She informs me that the spelling of her porn first name incorporates the word “evil”—as in “EVILyn.”

“I like the name Evelyn and I wanted to spell it different and have it sound dominant so I spelled it like EVIL. I really like the bondage,” she says. “I like to be spanked and choked and spitting. I like to be dominated. It just feels so good, just a combination of the pain and pleasure. I’ve always really liked it.”

Yes, gentlemen, so many of the ladies like it rough these days. What would have gotten you seven-to-ten a few years ago is now so passé. Just remember, know your victim. It’s always a great idea to ask first.

EVILYN FIERCE: I'm from Washington State. I'm twenty-one. I weigh 107 pounds. I just weighed myself yesterday. I'm Mexican and Romanian, it's kind of a different mix, you know? I speak Spanish because my mother was from Mexico City. I've been planning on this for a few years. I was a janitor and I worked in fast food and in some medical offices, McDonald's and Panda Express. I was like a cook there. When I masturbate I start with my hands of course, but in the industry I have seen so many new toys now. I started using the Fuck Machines website and they have everything. I like the Hitachi though, that's my favorite. I think every girl could say that. The Sybian is pretty cool, those are really fun too. My favorite position is 69 because I like giving head. It's always fun. I also like doggy style. I don't do anal yet and I've never tried it before in my life. I tried an anal toy. Maybe someday, you know? I just want to keep pushing it and brand-name myself and just do what I want for a few years. I'm an artist. I love to draw and paint and I love animals. I love going out and hanging out with friends and family and partying. I'm not a heavy, heavy partier but when I party I like to drink tequila shots. My personal sexual life is pretty active. I don't go out and have relationships, but I have fun with people. I just like to be open. I'm kind of free right now.

"Every guy knows that all you have to do is give a girl a massage and next thing you know your penis is right up her pussy," Powers shouts. "Within ten minutes. If you can win over a girl with a massage you're definitely banging her. That and roofies. If you can combine roofies you're getting anal!"

The inhabitants of the palatial homes across the ravine will have a full view of these proceedings, not to mention the next-door neighbors who are very much within earshot but are visually cut off by walls and vegetation.

"If you guys are loud fuckers I definitely want you inside," Powers tells Bailey and Fierce. There is agreement that the overall volume level can be kept within a reasonable range but little concern is shown regarding the line of sight from the banks of windows and porches of the other multimillion dollar spreads across the back 40. Oh, wait a minute, this is Hollywood where people are constantly throwing sex parties in their backyards while porno quietly plays on their flat screens 24/7 anyway. Just keep the sound down so people can concentrate on their daily late afternoon Satanic rituals. The Archfiend is pleased.

Evilyn is naked on the massage table under a blue sheet waiting calmly for Bailey who shows up fully clothed, armed only with a belt containing a lube squeeze bottle, the Malibu masseur's only necessary accessory besides an erect unit. Just like real life. There's a breast massage and a lengthy pussy squeezing, labial glorification session, then after a BJ, penetration ensues. Productive fuck-reational decisions are made throughout until the pop choreography must be discussed. "Just creampie her and there's a cold beer waiting for you," Powers instructs Bill. "Just do it so it's in there and she can push it out. She's flexible, she's good. Go guys! Sell it!"

Just like drugs, creepies are good most of the time, the main variable being the prego danger. I have it on good authority that some porn girls feel that birth control protocols are an unnecessary hassle. But for an unconflicted heterosexual porn dude who enjoys having a vagina around his unit, it's like a free Affliction-wear shopping spree. No pullout or blow to pop. Just pound away and let it rip, inside an actual pussy for once. Evilyn's love tube proves to be a very efficient ball drainer. Every last goober of load is videotaped, photographed, commodified and glorified upon the backdrop of her cooch and butthole. We're done here.

Next!

Powers orders his P.A. Adam Wood (aka FOX's 2012 "Male Performer of the Year") to locate a sheet upon which Tessa Lane will be defiled by crafty masseur Ralph Long. She's been here since this morning and has been chilling on an outdoor sofa smoking cigarettes since getting back from the beach, waiting for the first scene to be shot. She's over the waiting around and is beginning to show signs of impatience. The setting sun and the preparation of the dining room for her bang out imply that she will soon be processing cock in some fashion. Hey, things are looking up.

Powers is almost ready to shoot. Night is falling. Lights have been set up surrounding the pink-sheeted massage table.

"Feel free to just coat her with lube," Powers says to Ralph. "I want her glistening. The whole massage craze is just sweeping the land. This is comparable to the Macarena in 1996. This is the Macarena of porno. What we've done is combine beach movies—girls laying out—with massage. This is going to be huge, different than anything that's being made, different than any Exquisite or Vivid movie or anything!"

A Hitachi wand will also be part of the act. Long employs some classic wand rotation to Tessa's panic button while working her G-spot with two fingers. In my aristocratic upbringing, this move has always worked well on the hired girls and it's always birdie num num from here on out.

"When you're massaging her in real life you wouldn't talk, but this is a porno—so talk to her a little bit," says Powers. "And Tessa, when he's rubbing you go, *Oh, that feels good!* Give me that type of stuff. You can enjoy the massage getting all turned on and be reaching for his junk at the same time. When he's working his way down I want you like arching up into his hands. I want you pushing yourself up into it. You're arching, he's doing the pussy, you're getting all turned on. Rollover on your back, baby, and start spreading your legs."

TESSA LANE: I'm twenty-two. I'm Irish and German. ... What do you mean that makes sense? The skin? Like I'm an albino? I was waitressing back in New York, and I went to school for makeup. I came out for a friend's birthday in Hollywood and I recognized Tee Reel, who is my agent now. I was like, *You're in porn, right? I've always wanted to do it.* He was, like, *Alright, then I got you.* It kind of just happened from there. Honestly, there really is no difference between my personal sex life and doing a sex scene. I get so into it. I'm so into it all the time. It's not an act. I like a lot of choking, hair pulling, ass smacking, all that. Almost anything makes me cum. I cum a lot and I cum fast. One time I came six times having sex. It wasn't a scene but it was like in an hour and I came six times. With girls I tend to be dominant. I would be like a guy. I would go out to a club to find a guy. I love dirty talk, like if a guy talks shit. I dated girls before I dated guys and I was always very dominant, but when I'm with guys I'm very, very sub. I like to be controlled. I have no idea where it comes from, I just like a man taking control. I get off on clit stimulation. But to cum in like a minute, I watch porn. I love Jenna Haze and Tori Black. I just love their personalities on camera. It just makes me crazy. This is a lot more fun than waitressing. With waitressing you have to put on an act, but with this I'm having sex and with having sex I don't have to put on an act at all. It's just like...going crazy. My mom knows. I was scared to tell her but she was, like, *Is it safe?* Yes. *Okay, you know that you can't take it back, right? Are you happy?* I was, like, *Extremely!* She was, like, *If you're happy, I'm happy.* It was weird because my mom and I had never spoken about sex before until I came to her about this. Now she's happy because my credit card bill goes home and when I send her money to pay it off she's like, *Okay, I know you're not getting that from doing makeup.* Honestly, I want to make a brand or franchise out of this. I want to go far with this. I don't plan on doing it for the rest of my life but I do plan on making something out of it.

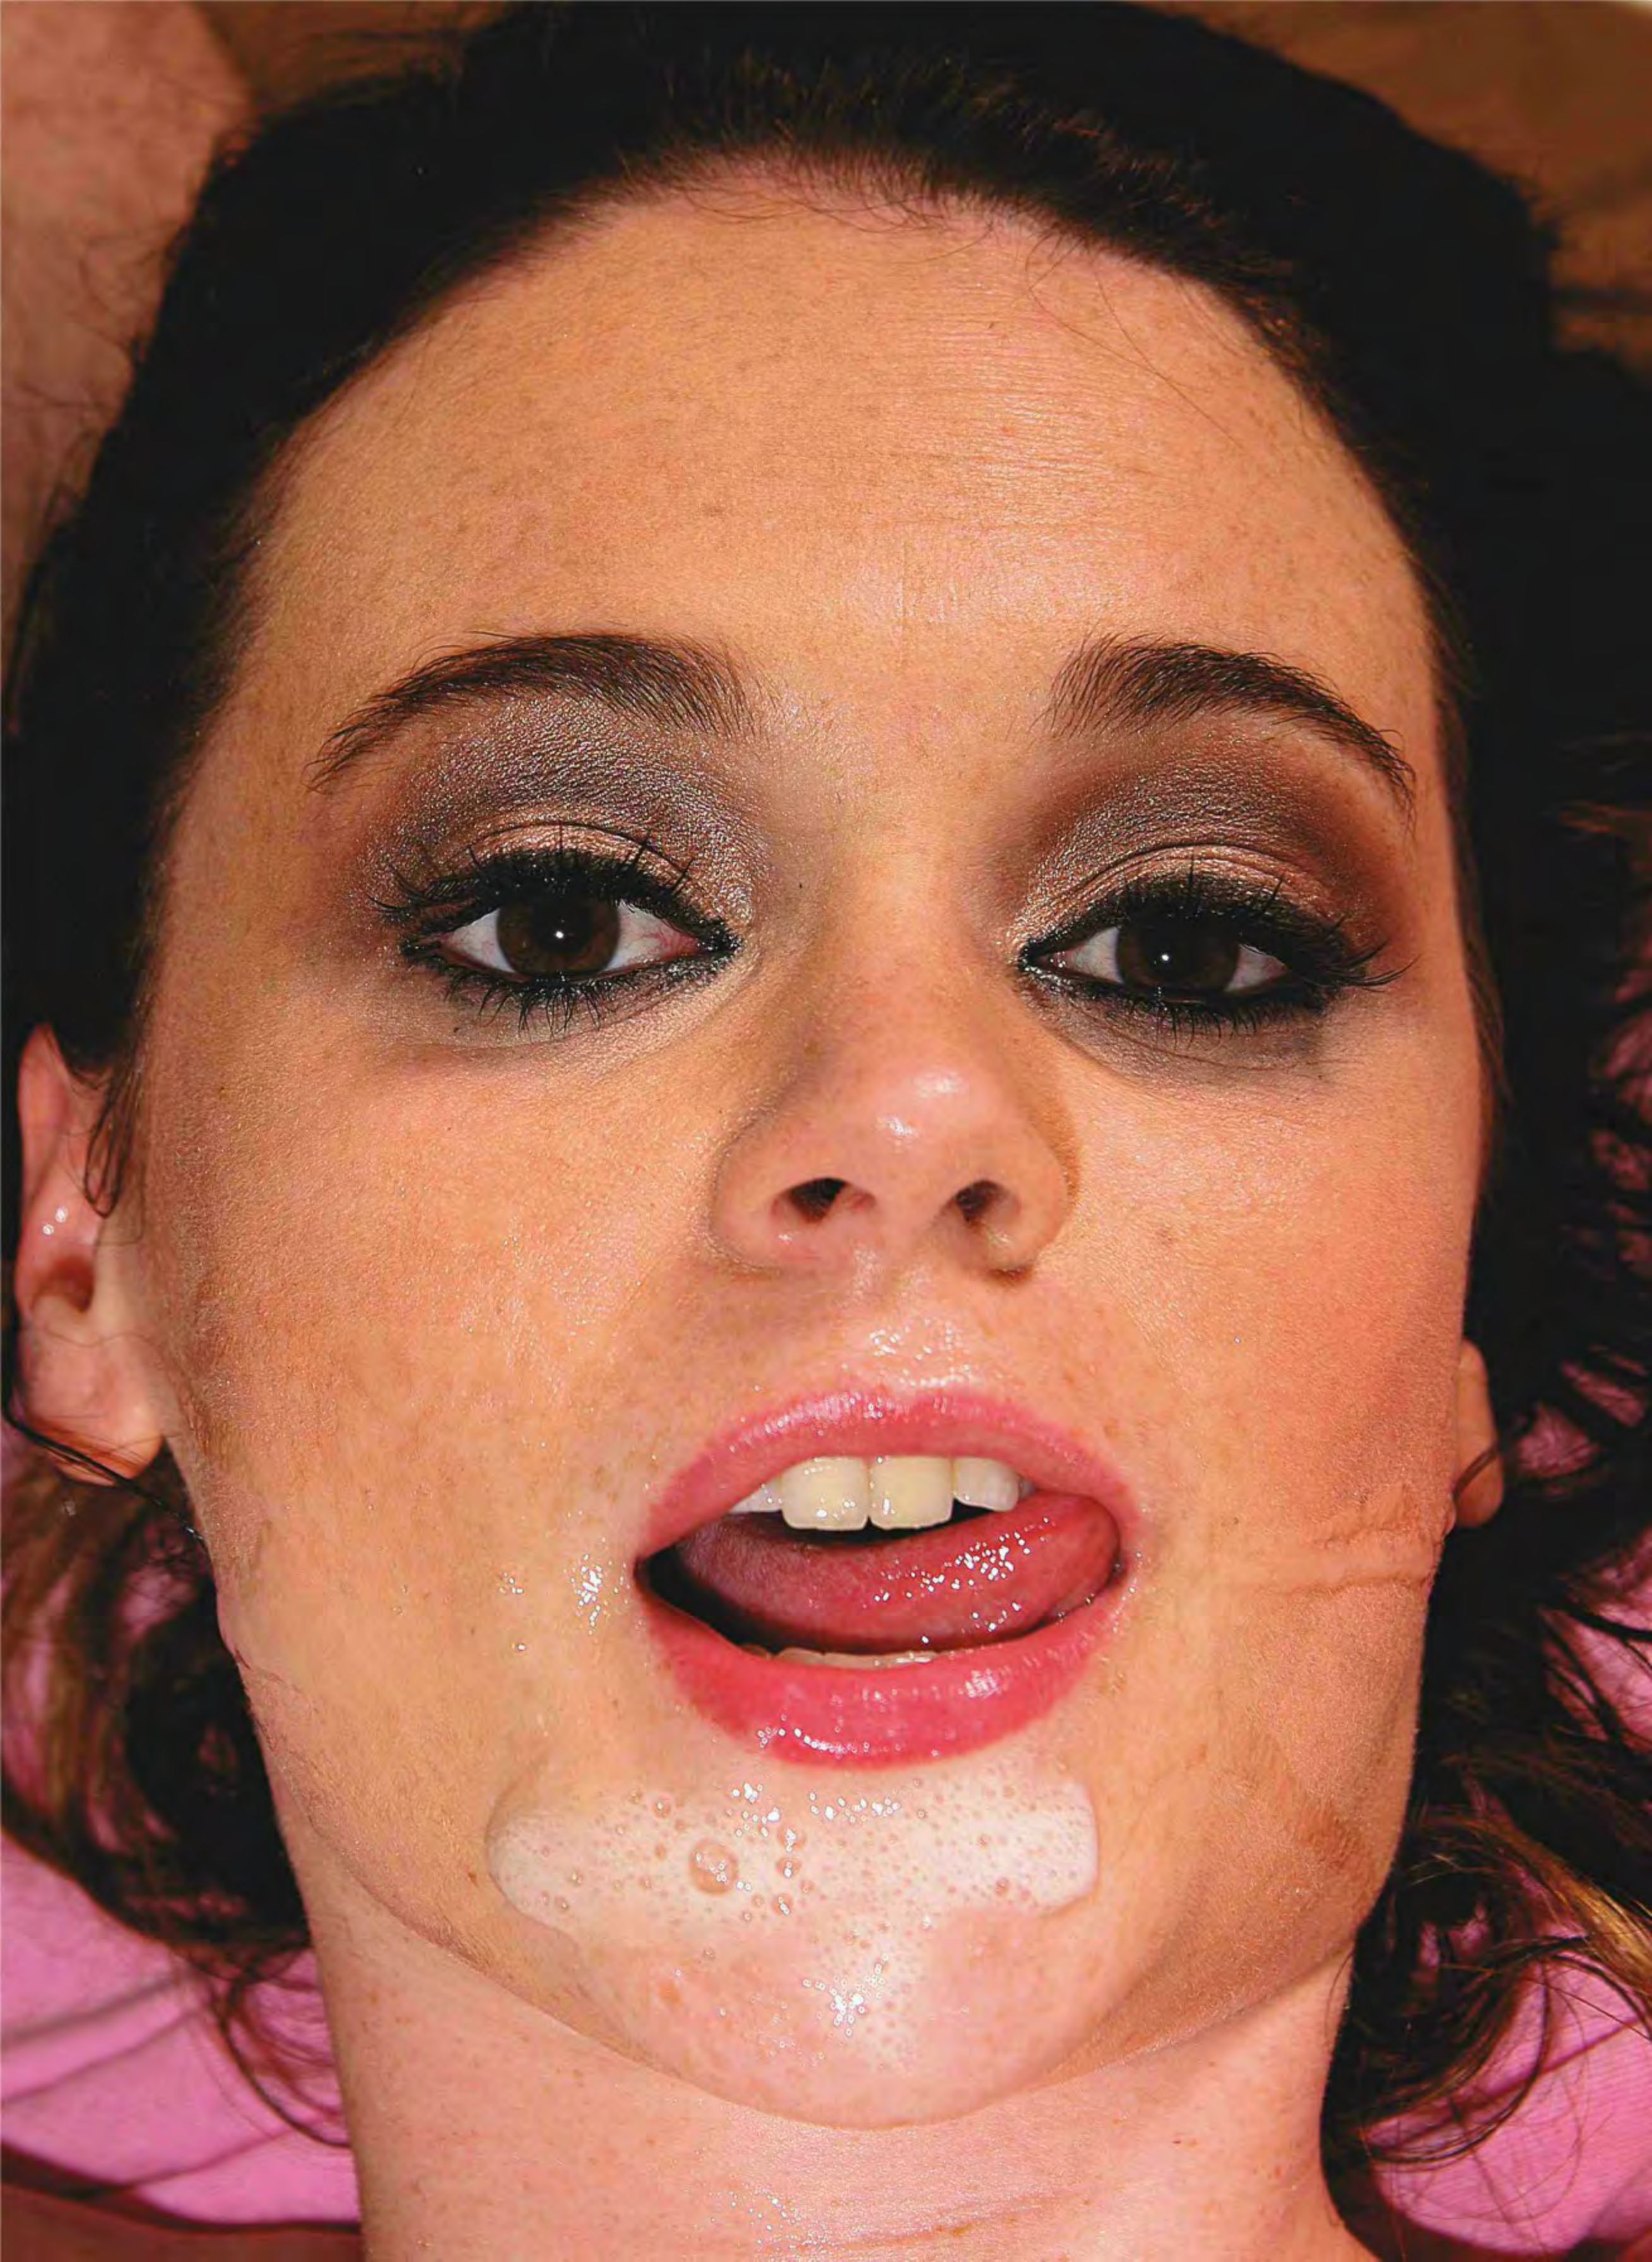

In the heat of battle Powers yells: "Ralph, take your cock out and slide it on her body! Give her some soft tissue work!" And then later: "Feel free to pull it out and just coat her! Just like you're basting a pig...or a turkey...or whatever it is you baste."

Tessa Lane's pussy also proves to be a very effective penis massaging apparatus. She easily delivers another excellent porn bang out and as an alternative to the previous scene's cream pie ejaculation protocol, ends up taking a load to the face. Vaginas perform their appointed purpose as well as any other device in the universe. We have learned that each muffin is unique in it's own way, just like each cloud that floats across the sky. The variation is incredible and it's out there waiting for you, pal. When this old world starts getting you down, you can depend on a vagina...or a series of them...and even, on occasion, their wonderful owners to help take away the pain of being a man. 🐱

MISTY
STONE

Oh baby, is Misty Stone one foxy bitch. She oozes a playful sex appeal that lets the whole world know she's a mighty fine fuck. It's worth pointing out that her itty-bitty bee stings are simply the best—those little mounds are so sweet they may very well melt in your mouth. Around back, her firm, tight butt is flawless. The only way those mocha-colored buns could look any better is if they were twitching beneath a creamy smear of man frosting. Her tidy pussy is sleek, silky and always wet, waiting for something long and hard to work its way inside. She's also got a face graced with the prettiest mouth. Those lush, plump lips were tailor-made to suck dick. Because small bones are a choking hazard, Misty won't mess with swallowing any tube steak that isn't seriously thick and meaty. Tail this top-notch has some pretty high standards. 🐱

The Twitter Interview

31277

@ChanelPreston

By @Gabriel_Lan

Every once in a while, you'll hear someone make a statement along the lines of "She's too pretty to be in porn." I've always disagreed with that statement, because, well...I'm a man. And a pervert. The more beautiful the woman, the more I want to see her naked, and doing all sorts of filthy things. But I can see why someone might say that about Chanel Preston. Yes, she's THAT pretty! Chanel has what can only be described as a timeless beauty that could easily set the standard for what has been considered "beautiful" in any era. To my mind, she's one of the 25 most beautiful women to ever grace mankind. But her beauty is not limited to just what you see on the exterior. While it wouldn't shock the average man if a woman this pretty was stuck up or a snob, Chanel Preston is nothing of the sort. She's very personable, friendly and kind with a highly underrated sense of humor and obvious high level of intelligence. Add the facts that she's smart and funny along with beautiful and nice, sum everything up, and you have the true definition of beauty, personified. One of the biggest stars in the industry today, Chanel recently launched www.chanelpreston.com and already has over 41,000 followers on Twitter with many more legions of fans still to come.

@Gabriel_Lan

In my humble opinion, you are a huge star. However, I take it there would be an even bigger star in your house if there was kitty porn?

@ChanelPreston

Lol, I love my cat so much. I actually will send pictures of my cat to my friends.

@ChanelPreston

I was always a dog person but when I got my little Princess Dior I became a little obsessed (not in a dirty porn way, of course.)

@Gabriel_Lan

I've said many times that you are 1 of the 25 most beautiful women ever. In any era. Do you think that you're beautiful?

@ChanelPreston

I do think I am beautiful. Not the most beautiful but definitely beautiful :)

@Gabriel_Lan

Who do you find beautiful?

@ChanelPreston

I know it sounds cheesy but I find people's personalities and how they carry themselves to be beautiful. I'm an avid fan of Angelina Jolie.

@Gabriel_Lan

You have easily one of the prettiest smiles I've ever seen. I assume your dentist is very happy that you're a floss-a-holic, huh?

@ChanelPreston

LoL Absolutely! My friends all make fun of me for flossing all the time.

@Gabriel_Lan

With such a beautiful smile, maybe you'll know—why do they call it a "toothbrush"? Don't you brush all your teeth with it?

@ChanelPreston

That is true. Maybe it used to be call "toothbrusher"...I dunno lol

@Gabriel_Lan

For those that don't know, Mark Spiegler is probably the top agent in the biz. What does being a Spiegler Girl mean to you?

@ChanelPreston

Definitely the exclusivity is great. Spiegler only chooses 25 girls and he finds something special in all of them. We all look up to him.

@ChanelPreston

I trust him 100% and that's something that's very difficult to find in this industry.

@Gabriel_Lan

You played Wonder Woman in a porn parody last year. Are you a comic book nerd at all?

@ChanelPreston

No, not at all, but I have so much fun playing comic book characters. Not many people get to dress up as an adult and I do!

@Gabriel_Lan

You've been in several big budget movies. Do you prefer that over the gonzo style of porn making or do you have no preference?

@ChanelPreston

I like them both and I like to mix it up. I enjoy acting so the features are obviously great for that but gonzo is a much quicker day.

@ChanelPreston

Also, gonzo takes care of my crazy sex side where I get to really let loose and do anything where features are a little more reserved.

@ChanelPreston

So, sexually features make for a much easier day, although much longer.

@Gabriel_Lan

What does working in porn, and on a very busy booking schedule I might add, do to your social life?

@ChanelPreston

It's detrimental to my social life. In porn you never know what time you'll get off work so it's always difficult to make plans.

@ChanelPreston

But somehow I maintain my friendships with people and most of them understand.

@Gabriel_Lan

Is that part of why you think it's best for you to remain "mostly friendless" in L.A.?

@ChanelPreston

Lol, I see you saw my tweet.

@ChanelPreston

I don't have a lot of close friends in L.A. for the reason stated previously but the few I have are amazing and I love them.

@Gabriel_Lan

You just recently started shooting live webcam shows for your chanelpreston.com site. How are you liking doing that so far?

@ChanelPreston

Well, my first one I had to cancel due to technical issues but I have one coming up next week again.

@ChanelPreston

I love talking to my fans so it's a lot of fun to communicate with the people that are part of my site.

@Gabriel_Lan

You've been giving away a free month to Twitter contest winners for several weeks now. The site must be doing well, huh?

@ChanelPreston

I think so. I hope so lol. I haven't gotten any of the stats yet.

@Gabriel_Lan

I've heard you say you're not good at being submissive in a girl/girl setting. Why do you say that?

@ChanelPreston

I'm not naturally a submissive person in general. I enjoy it with men but not women so having to pretend to be is not very easy for me.

@ChanelPreston

Plus, my personality is a little dominant anyway and I think people sense that.

@Gabriel_Lan

I know that you stay in such phenomenal shape through Pilates and boot camp workouts. How often do you work out?

@ChanelPreston

I try to work out 3-5 times a week depending on my schedule.

@Gabriel_Lan

You mention your trainer "Mr. Hunk" all the time. Have you ever made a move on him?

@ChanelPreston

No, I haven't. I actually hit on everyone except the people I'm interested in for some reason. Maybe I'm a little shy.

@Gabriel_Lan

What do you tell people you do at that awkward moment when you're at an event filled with people in their 50s?

@ChanelPreston

The only time that happened and they asked me what I did I told them I didn't want to talk about it.

@ChanelPreston

So I'm sure they think I'm a drug dealer or stripper now.

@Gabriel_Lan

Luckily for us filthy perverts, you haven't yet given up porn to start your country music career. Still in the planning stages? LoL

@ChanelPreston

LoL No, that was a one night stand type of idea. I seem to get those often lol

@Gabriel_Lan

I know you like kids movies. Is it possible to like those movies AND lick buttoholes?

@ChanelPreston

Haha of course it is!

@Gabriel_Lan

Is carrying a pool stick case or a guitar case the best methods for having lots of people talk to you in the airport?

@ChanelPreston

Yes, and it's actually very annoying. I never feel chatty when I am traveling so that trip was a little rough for me.

@Gabriel_Lan

Not a lot of girls in porn are from the great state of Alaska. How often do you get back there?

@ChanelPreston

I go home at least once a year. I miss my family all the time.

@Gabriel_Lan

You've lived in places where tons of people go on vacation—Alaska, California (obviously), and even Hawaii! Which one is your favorite?

@ChanelPreston

I miss Hawaii so much and when I go back to visit I get very sad, so I will have to say Hawaii...although I do miss playing in the snow.

@Gabriel_Lan

How is it that a girl from Alaska buys ski lessons through Groupon? You don't know how to ski already???

@ChanelPreston

Lol, no I grew up cross country skiing but downhill skiing scares me. I also snowboarded too.

@ChanelPreston

I was never very good, so I thought I should take lessons just to get the right technique down. Now I can race people and I'll win for sure.

@Gabriel_Lan

Are you often sucked into deals by Groupon? LoL

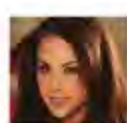

@ChanelPreston

LoL Yes, I am actually. I needed an intervention and I deleted all my Groupon apps.

@Gabriel_Lan

What is the craziest, most frivolous thing you ever bought through Groupon?

@ChanelPreston

Hmmm...a lot of wine, probably. Way too much for one person lol.

@ChanelPreston

Speaking of which, where the hell is my 12 bottles of wine? they should have been delivered to my house already lol.

@Gabriel_Lan

Besides Girl Scout cookies, do you have any guilty pleasures? Or something most people don't know about, like maybe a hidden talent?

@ChanelPreston

I play music. I grew up playing piano and trumpet.

@Gabriel_Lan

Recently, two billboards went up in L.A. with your image on them. How did that come about and what were they for? Have you seen them yet?

@ChanelPreston

A photographer I worked for sold some pics to a strip club. I haven't seen them yet, but hopefully I'll get to see them soon.

@Gabriel_Lan

Let's say I had the design for and a patent pending for a Waldorf salad making machine. Could I get you to be my spokesperson?

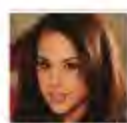

@ChanelPreston

Hahaha! Of Course!!!

@Gabriel_Lan

That was easy! Maybe I should've shot a little higher.... What "else" could I get you to do for involving you in the Waldorf Salad Maker deal? LoL

@ChanelPreston

Hmmm...I guess we'll have to wait and see when that happens.

@Gabriel_Lan

What can you tell about a man based on the cereal they buy?

@ChanelPreston

I'm not sure. I thought it would be a good idea then I ate some Fruit Loops and didn't want to be judged on that.

@Gabriel_Lan

If a guy wanted to get serious with you, how much would it increase his chances if he had Bruce Jenner's personality?

@ChanelPreston

150% increase. I love him!

@Gabriel_Lan

What is it about his personality that you find so appealing?

@ChanelPreston

He has a very ethical and strong mindset and such an honest personality. I really admire that in someone and don't find it that often now-a-days.

@Gabriel_Lan

Do you think you'll settle down and get married anytime in the not too distant future? Is that something you want in life?

@ChanelPreston

That is definitely something I want in life. Do I see it happening in the near future? No. No time soon.

@Gabriel_Lan

Did I hear that you're having a tattoo removed? If yes, which one? What went into that decision? How painful has it been?

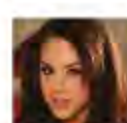

@ChanelPreston

I got a few treatments to remove the one on my upper back but I just got lazy and didn't finish it. It hurt like hell. I don't recommend it.

@Gabriel_Lan

You strike me as someone who really has their act together. What are some long range plans or goals for you, in and out of porn?

@ChanelPreston

I know it sounds corny, but I just want to be happy. If that means that I find out I don't want to do this in a few years, then fine.

@ChanelPreston

So far I plan on being here for a while though so we'll see.

@Gabriel_Lan

Along with many other qualities, I love your sense of humor. What do you think or hope others think about when they think of "Chanel Preston?"

@ChanelPreston

A smart, funny girl I guess. I like to think that I'm pretty grounded, too...although I can fly off the handle like anyone else lol.

If you want to learn more about one of the most beautiful women of all time, you can find the smart, funny, and drop-dead gorgeous Ms. Preston on Twitter at @ChanelPreston. To stay on top of all the sexiest stars in the porn industry (no pun intended), follow FOX at @FOXMagazine. And as always, thank you for continuing to support the average man's dream of talking to the hottest girls in porn by following all my antics at @Gabriel_Lan. See ya next time.

DIRTY MINDS

Q&A by @Gabriel_Lan We've all heard the expression "Great minds think alike," but what about "dirty minds?" Do they think alike too? FOX wants to know, so we enlisted some of the dirtiest, filthiest minds we could think of, you guessed it—pornstars! The next obstacle was what to base our measurements and analysis on. We turned to the fans and their enquiring, dirty minds to find out what perverts want to know. Since all pornstars are asked a select few questions by virtually every fan, we did the legwork and went straight to the girls themselves to ask those same questions. You can decide if there are common themes in how porn girls think and how they answer. This month's featured question is:

WHAT POSITION OR ACT MAKES YOU CUM THE BEST?

CASEY CUMZ In kinda missionary position but with my hips to the side and the guy sitting up.

30743

BROOKLYN LEE I've recently discovered this little variation on an old favorite where I twist to the side and throw one leg up over the guy's shoulder, a side-saddle mish of sorts. It always makes me cum really hard! The penetration hits nice and deep. Just how I like it.

30328

JESSIE VOLT It's the doggy position, with my head pinned to the floor.

31269

LEXI SWALLOW Depends on the cock when it comes to positions, but normally missionary because I love eye contact and I love clitoral stimulation with some penetration.

29573

CHARISMA CAPPELLI The best way to make me cum the hardest is I like being submissive, wrists held down tight with me positioned on my back and legs pinned up on my partner's shoulders. Mmm...makes me wet thinking about it!

27938

DANA BEARMOND I definitely have orgasms best vaginally from oral or by being fucked missionary, but anally laying on my side or flat on my belly.

31329

TRINITY ST. CLAIR

Anal with vibration on my clit and sideways with the guy standing straight and me sideways. The cock hits Little T just right!

30226

AMY BROOKE

It always depends. If I'm doing vag, I love missionary. If I'm doing anal, I would say doggy for sure! Hits my G-spot every time!

29787

TRACEY SWEET

I know that everyone says this but my favorite position would have to be doggy. I love the feeling of being pounded while my hips are being grabbed onto. I feel like I can scream and let go of all the day's stress. Plus, the faster you go in this position the faster I cum or cum again.

31333

KATIE ST. IVES

Doggy style is the best, but if you really want to make me cum for you quick, go down on me fast and hard!

30383

VERONICA RICCI

Sometimes being on top makes me cum the best... riding the head. Sometimes doggy style. I think a combination of them with foreplay is best.

30386

LIZZ TAYLER

When the person is playing with my clit, whether it's going down on me or rubbing my clit with their fingers... I love clit play!!!

30264

LILY LABEAU

Lots of foreplay to get me going. I love having my pussy licked, I could have it licked for hours. I also love good ol' missionary when it comes to positions. I'm all about skin to skin contact and I love seeing my partner's face. The more they enjoy, the more I enjoy, and the harder I cum! :)

31153

TARA LYNN FOXX

I'm very passionate, so kissing and foreplay are always great for me. I love getting fucked in my ass with my lover behind me (doggy) and rubbing my clit... I cum so hard!!! Plus, the feeling of their body against mine while they are inside of me. OH YA, BABY!

31330

CHANEL PRESTON

Anal sex! Anal sex ALWAYS makes me cum!!!

JAYDA DIAMONDE

I love the doggy/pile driver position best! I can really get my ass and pussy up in the air for MAXIMUM penetration! I love the feel of being done from behind and it makes me cum HARD!

TESSA LANE

The best position for me to cum is definitely spooning because they can grab my tits, pull my hair, cover up my mouth, or even choke me while I can control the pace. Plus that's when I really feel a dick deep inside me hitting every spot!

31272

Katie St. Ives vs. Tim Von Swine

POV
PIG SAUCE
EDITION!

When it comes to sex, Katie St. Ives is one insatiable little piglet. While she's not exactly hard to please, it does take a certain amount of man meat to adequately fill her hairy taco so she's always on the hunt for a thicker cut of cock. She lucked out when she met the likes of Mr. Tim Von Swine, a loose-moraled lout with a whale of a willy. As soon as Katie got a hold of his prized pecker, she greedily gobbled it down with a big grin on her face. Then she spread herself wide and Tim stuffed her soundly, his grunts overlapping her gasps of delight. He humped Katie straight to hog heaven with deep, even thrusts of his mighty pork sword. Tim stroked her slit sloppy till it was time for him to nut, which he did all over the succulent swell of Katie's smooth, round ass. 🐷

Karlie Montana

PIXXX BY RICK SHAMELESS

There are still some girls in this world who don't like to go completely bare down there. Some girls, even ones hard at work in Pornland, prefer to maintain just a touch of fluff on their muff. Super sexy Karlie Montana is one of these girls. When she's not busy boning other babes, she lovingly tends to the lush bush above her orchid, keeping it tidily pruned into a triangular topiary. The end result is a cooter that is both cozy and inviting; a little bit fuzzy up top while the lips down below are smooth, pink and kissably hair-free. And boy, do those lips get kissed! Whew! Passionately and often. Karlie has built her career around munching out and being munched upon by all the hottest broads in the biz. When a gal specializes in sultry, sweaty girl-on-girl entanglements, she's gotta keep her slit stylish at all times. 🐱

"HotMovies is Absolutely Fantastic!
*I have a very powerful internet connection and I can stream high, ultra, and mega and the picture quality is super! It's excellent crystal clear clarity and I don't get a single bit of buffering. It's worth paying more money for a very high-powered internet connection like mine. I'm building up a large collection of titles. The 160,000 titles are mind-blowing. That is a monstrously huge amount of titles, but with me having a good paid job, I'm going to keep my collection growing. I've got around 130 top titles to date, and my world class hand jobs keep exploding the man cream. What a great feeling that is! It's awesome! Top respect to the **HotMovies** Empire!"*
